Child Safety Information

Megan's Law

The purpose of Megan's Law is to provide the public with internet access to detailed information on registered sex offenders. The law expands access and allows the public to use their personal computers to view information on sex offenders required to register with local law enforcement. The law is not intended to punish offenders and specially prohibits using the information to harass or commit any crime against an offender.

Access the database to check for offenders in your area

www.meganslaw.ca.gov/Search.aspx

Oliver's Law

The purpose of Oliver's Law is to allow parents to review the safety of the childcare program or facility. To encourage parents to evaluate the program's ability to meet the needs of their child. Licensed childcare facilities are required to present complaint information to a parent when asked. This gives the parent and provider an opportunity to discuss sensitive issues, including changes that have been made in response to a complaint. It also gives providers a chance to tell their side of the story.

Access the database to review the files of the licensed child care provider you are interested in.

WHAT IS CALFRESH?

- CalFresh (known federally as Supplemental Nutrition Assistance Program or SNAP) helps people with limited income to buy healthy food.
- CalFresh is a nutrition program not a welfare program.
- CalFresh benefits are deposited in an Electronic Benefit Transfer (EBT) card. It works just like a bank debit card. EBT cards can be used at most grocery stores and farmers' markets.

WHO CAN GET CALFRESH?

- The amount of CalFresh a household receives is dependent on household size, countable income, and monthly expenses, such as housing and utilities.
- You may be eligible to receive CalFresh even if you have earnings, are unemployed, retired, receiving Social Security Income (SSI), or other benefit programs such as CalWORKs or General Assistance.
- To qualify, at least one household member must be an eligible immigrant or citizen. That person can be a child.
- Single individuals and couples without children may be eligible to receive CalFresh.
- College students may be eligible to get CalFresh if they meet student requirements and are otherwise eligible.
- If you get SSI (Supplemental Security Income) you may qualify for CalFresh, if otherwise eligible.

WHAT ELSE SHOULD YOU KNOW ABOUT CALFRESH?

- You can own your home and car, and have savings and still be eligible. You do not need to report CalFresh on your tax return.
- CalFresh is not a loan. You do not need to pay back benefits that you receive, unless you are overpaid.
- If you are 60 years of age or older, homeless or disabled, you are eligible to purchase prepared meals at certified restaurants in Santa Clara County.

CALIFORNIA'S LOW COST AUTO INSURANCE PROGRAM (CLCA)

CALIFORNIA'S LOW COST INSURANCE PROGRAM (CLCA)

California's Low Cost Auto Insurance Program (CLCA) coverage limits are less than the mandatory basic-limits policies, but California state law provides that a CLCA policy satisfies financial responsibility laws.

The primary goal of CLCA is to provide an affordable auto insurance option to low-income good drivers. California Law requires that all drivers be insured. However, too many low-income drivers remain uninsured because the costs of standard insurance premiums are beyond their financial reach.

The California Low Cost Automobile Insurance Program provides affordable liability only auto insurance that meets the state's financial responsibility laws. CLCA is available in Santa Clara County.

BASIC LIABILITY POLICY:

- Bodily Injury liability per person - \$10,000
- Bodily Injury liability per accident - \$20,000
- Property Damage liability per accident - \$3,000

WHO IS AVAILABLE FOR THE CALIFORNIA LOW COST AUTOMOBILE INSURANCE PROGRAM?

- Low-income drivers in Santa Clara County Eligible household income may not exceed 250% of the federal poverty level.
- Applicant must be at least 19 years of age or older and a continuously licensed driver for the past three years.
- Applicant must qualify as a good driver:
- The value of the car to be insured must not exceed \$20,000.
- College student-applicants may not be claimed as dependent on another person's federal and/or State income tax return.

Since January 01, 2015, SB 1273 passed by the Governor on September 19, 2014, provides an exception to the three-year continuously licensed requirement to allow drivers with less than 3 years verifiable driving experience to participate in the program and increased vehicle values from \$20,000 to \$25,000.

INSIGHT CENTER FOR COMMUNITY ECONOMIC DEVELOPMENT

Self-Sufficiency Standard Tool for California

The California Family Economic Self-Sufficiency Standard (Self-Sufficiency Standard), quantifies the costs of basic needs for California's working families. Many policymakers, advocates, services providers, foundations, and families use the Self-Sufficiency Standard to make informed decisions on working family issues. It measures the minimum income necessary to cover all of a non-elderly (under 65 years old) and non-disabled individual or family's basic expenses - housing, food, child care, health care, transportation, and taxes - without public or private assistance. The California Self-Sufficiency Standard is available for all 58 counties across the state. This tool allows you to look up the Self-Sufficiency Standard for a specific county and household type in California.

The Migrant Education Programs support high-quality and comprehensive educational programs for migratory children to address disruption in schooling and other problems that result from repeated moves.

NEW EYES

New Eyes is a not-for-profit, non-sectarian organization whose purpose is to improve the vision of low income individuals. This organization purchases new prescription eyeglasses through a voucher program for children and adults in the United States who cannot afford glasses on their own.

Eligible clients can apply for a voucher through a social service agency or a school nurse. Clients can present a New Eyes voucher to any participating local optical dispenser, who fits the client with the proper prescription eyeglasses. The dispenser then receives reimbursement directly from New Eyes.

- Applications can only be submitted online by a Social Services Agency Worker with information obtained from the client and, California residents must use Marvel Optics to order eyeglasses.

The New Eyes Application Process requires applications to be submitted on behalf of clients through a social service agency (Employment Counselor, Eligibility Worker or Social Worker). If a social service agency is not available, a primary care physician, school nurse or house of worship may submit an online application for the client.

COALITION AGAINST PAYDAY PREDATORS (CAPP) / PUBLIC INTEREST LAW FIRM

CAPP, and allied partners in California, also advocates for stronger consumer protections for payday loan borrowers, in addition to changing local land use policies that limit the prevalence of payday lenders.
